DESCRIPTIONS

SURVEYOR’S NOTES

1. This Survey and corresponding Descriptions are subject to municipal approval, State division laws and local ordinances.

2. Since our Survey work does not include a Title Search, there may be easements or other encumbrances upon the land which are not shown on our Survey at this time.

3. The centerline of Maple Road does not coincide and is not parallel with the East-West 1/4 line of Section 31. The relationship between centerline of Maple Road and East-West 1/4 line of Section 31 was established based on "Hillsborough Sub'n." as recorded in Liber 225 of Plats, Pages 17-22 and found filed evidence.

SURVEYOR’S CERTIFICATION

I hereby certify that I surveyed and mapped the land above plotted and described February 12, 2006. And that the ratio of closure on the unadjusted filed observations of such survey was within accepted limits. And that all the requirements of P.A.132, of 1970 have been complied with.
